We make the formation of Syndicates
a Specialty.

The Syndicate plan allows small investors to combine their capital and purchase acres or other properties and handle them to as good advantage as a capitalist.

Small investors wishing to double their money in a short time are requested to communicate with us.

Owners of acres in Cook County, who will sell their land to Syndicates, on monthly payments, at regular market prices, are requested to list the same with us.

CHICAGO, ILLINOIS, U. S. A.

THE PURPOSES FOR WHICH THIS COMPANY IS ORGANIZED ARE AS FOLLOWS:

First. To loan money on Mortgages which shall be first liens on improved Real Estate located in the City of Chicago.

Second. To deal in Bank and other Stocks, Municipal, State and other Bonds and Investments, the Character of which are well known and established in the market.

Third. To promote Bonded Syndicates for the purchase, improvement and sale of Real Estate under the direction and management of the Company.

Fourth. To issue Debenture Bonds, and secure the same by pledging the Securities of the Company in payment thereof, and negotiate same at such rates as the Directors of the Company may determine. These Debenture Bonds will be issued in series, and the proceeds thereof re-invested in First Mortgages.

Arrangements have been perfected upon advantageous terms with the American Trust & Savings Bank of Chicago (with \$1,000,000 cash capital), to act as trustees for the Company, and the Certificate of that Bank as Trustee will be attached to each Debenture Bond issued by this Company, stating that they hold in trust mortgage loans on Real Estate to secure the payment of the Debenture Bonds of this Company at maturity.

In addition to the security thus pledged the entire Capital of the Company stands as a guarantee for the payment of its debentures.

Fifth. To make investments in Real Estate, Bonds, etc., for non-residents and others. *We always have a choice list of investments on our books which we can recommend with confidence to our customers.*
